In consideration of the acceptance of this renewal, I/we agree to the following:

2. I agree to the following expectations of being a club member:
 - A. I will try to attend membership meetings at least twice per year.
 - B. I agree to work at least: (1) one fall/spring equipment migration *and* (2) assist with setup or breakdown for club trials and/or serve as a dedicated worker at least twice per year.
3. I hereby certify that my dog(s) (or other dog(s) brought by me to a CATS function) is/are not a hazard to persons, other animals, or property and that the dog's rabies and other vaccinations will be kept current in accordance with the requirements(s) of the state in which the dog resides.
4. I acknowledge all hazards presented by events, classes, activities, meetings and corresponding event premises, including, but not limited to, the condition of the flooring, footing, stairways, walks, halls, lighting, security measures or lack thereof, electrical appliances, fitting(s), show rings, parking areas, and the presence of unfamiliar animals and people; the participant and owner assume the entire risk of any harm arising from these.
5. I hereby release CATS (including officers, directors, employees and members thereof) and that of any sites, training centers and other sites used for CATS club activities and hold them harmless from all present and future loss, injury, damage, claims, demands and liabilities involving the dog, event, or event premises. I hereby specifically assume sole responsibility for, and agree to all expenses (including legal fees) by reason of the liability imposed by law on any of the aforementioned parties for damages because my/our participation in CATS activities, events or meetings, howsoever such injury, or death may be caused, and whether or not the same may have been caused or may be alleged to have been caused by the negligence of the aforementioned parties or any of their employees or agents or any other persons.
6. Furthermore, as a CATS member: I agree to work with my dog in agility training in a manner that never threatens his/her safety or well-being. I recognize that it is important that a dog not lose confidence or be physically harmed as a part of his/her participation in the sport of agility and will do all I can to keep training and practice safe and fun. In keeping with the club's philosophy, I further agree to train my dog using positive, reward-based methods that are advocated by CATS as well as the national agility sanctioning organizations of this country.

Further, in respect for the Club concern that member conduct be "in the best interest of the Club . . ." (CATS By-Laws, Article VIII, "Discipline"), by submission of this membership application, I/we agree to abide by the following Code of Conduct:

1. Treat others with dignity and respect, as beings inherently worthy of esteem, honor, and high regard, irrespective of our many differences.
